

Subject: Routine Server Maintenance

Reeuwijk, 28th of February 2023

Dear Customer,

Please be informed that a routine maintenance is scheduled for the BioChek Software servers at Saturday 4th of March 2023 between 8 AM – 10 AM PST.

During this time, you will be unable to connect with the BioChek servers and make use of your online database. Customers running tests through the BioChek Software during that time frame can still use their BioChek Software application in combination with the local (offline) database.

We apologize for any inconvenience.

In case you require more information or if you have any questions, please contact your local sales representative or our technical support team (support@biochek.com).

Kind regards,

Jantina De Vylder
